Mr. Harrison's Rattlers Den!!

Week of January 29, 2018

Vocabulary Words:

Science
Weather
Rain
Sleet
snow
Barometer
Wind Speed
Anemometer

Math

Convert, unit, mixed Fraction

Updates:

1/30 Curriculum Cmte Mtg
1/31 Staff Mtg
2/02 Parent Night
2/15 FSA Writing
2/19 Presidents Day
2/21 Staff Meeting

What Are We Working On?

5.NBT.2.7 Add, subtract, multiply, and divide decimals to hundredths, using concrete models or drawings and strategies based on place value, properties of operations, and/or the relationship between addition and subtraction; relate the strategy to a written method and explain the reasoning used. For example, create a story context for $4 \div (1/5)$, and use a visual fraction model to show the quotient. Use the relationship between multiplication and division to explain that $4 \div (1/5) = 20$ because $20 \times (1/5) = 4$.

Math focus converting fraction using metric conversion table as needed.

SC.5.E.7.4 Distinguish among the various forms of precipitation (rain, snow, sleet, and hail) making connections to the weather in a particular place and time.

Science focus on variables that change weather.

Project Corner

Coming Soon:

No School Presidents Day 2/19

5th Grade

School Theme: Quest for Success!!

Reminders: Parents please sign all homework!!

Make sure your child is doing I-Ready 5 lessons per week. Penda Math and Science Lesson should be completed weekly.
