Note from Teacher

Currently, we have only two students who are participating in Deposit Days. Its only \$5 to open a saving account. Our class goal is to have 100% by March 1st. If we have 100% I will reward our scholars with a pizza party.

Parents, just complete the form and send \$5 and the account is open! I will send application home Tuesday. If you have questions please contact Ms. Haynes. Thanks for everything!
