Our little Ospreys are working very hard! Now that they have learned all the letters and sounds in the alphabet, we will be reviewing and writing them, along with the shapes, numbers, sight words and parts of a story. Please have your child review these at home as well. We have begun learning a word family each week. So far, we have learned *-at*, *-ad*, *-ag* and *-an*. This week's word family is *-ap*. Use the guide above to help you practice at home, along with the flip books that will be sent home.

The book of the week is *Quack, Daisy, Quack*. The skill this week is plot: beginning, middle, and end. Ask your child to identify the beginning, middle, and end of stories you read or movies you watch at home.

The Student of the Week will be

Raphael Warren. Each week a new Student of the week will be chosen based on behavior and participation. The Student of the Week will do Star News, Show and Tell and other privileges. Encourage your child to work for this privilege.
