OVERVIEW

The Duval County Public School District Local Educational Agency (LEA) can only receive Title I, Part A funds if it conducts outreach to all parents and family members and implements programs, activities, and procedures for the involvement of parents and families consistent with Section 1116 of the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA) of 1965. The programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents of participating children.

School level plans are required to be developed with the input of parents and families to improve student achievement and performance. The planning process can also include meaningful consultation with employers, business leaders, and philanthropic organizations. This template will assist schools with the best practices aligned to federal, state, and local expectations for compliance.

Below is an approach that can be used for Parent and Family Engagement.

“Treat children like they make a difference and they will.”

NEEDS ASSESSMENT

The Needs Assessment is the foundation of the Parent and Family Engagement plan. When meeting with parents and stakeholders, data from the needs assessment process provides previous year and trend data that can be used to make decisions about plan implementation for the upcoming year. That way decisions are not arbitrary but data-driven and purposeful.

When a school receives Title I, Part A funds, it is responsible for building the capacity of each parent to improve their child's academic achievement. This includes activities and strategies for parents to understand challenging State academic standards; State and local assessments; how to monitor their child's progress and work; literacy training; how to use technology; and other strategies of how parents can assist their child with the learning process. All funds expended under this section should align to this section and to achieving the goals in the Title I Schoolwide plan by engaging parents and families. [ESEA Section 1116 (e)]

BUILDING THE CAPACITY OF PARENTS AND FAMILY MEMBERS

Reflecting on the needs assessment process, what is an overview of how the school will implement activities that will build the capacity for meaningful parent and family engagement?

Weekly parent emails are sent to the parents with reminders of the items that are in the Parent Resource Room to check out/use. A sign is posted in the front office to advertise the items to check out/use.
 (3) Tiger Academy has a Student Support Services Director/Parent Liaison who is housed in the Parent and Family Resource Room to assist with check-outs and computer/printer uses.

If there are additional ways resources are provided for parents through the use of Title I, Part A funds, how are they provided and what trainings are provided to adequately prepare parents to use the resources and materials at home with their children?

Tiger Academy would like to purchase bus services for our November math family night downtown. The purpose would be to use real-world examples of finding geometric shapes. Geometry and Measurement has historically been low in our data. We would like to use the vocabulary and show parents how to demonstrate math is all around us. For example, intersecting lines are found at streets crossing. Buildings can be comprised of rectangles (surface area) or rectangular prisms (shape). We would also like to purchase a book for every family that is grade level appropriate to use during our October Literacy parent night to teach parents how to identify vocabulary words while reading texts at home. Tiger Academy would like to purchase items to create for a STEAM night activity take-home kit.

PARENT AND FAMILY ENGAGEMENT EVENTS

If Parent and Family Engagement events are funded with Title I, Part A funds, they must be supplemental and cannot supplant activities that are funded with state and local funds. Additionally, events should contribute to the achievement of goals outlined in the Title I Schoolwide Plan.
