### TIGER ACADEMY MISSION STATEMENT:

To provide the children of the Northside a structured and nurturing learning environment that is focused on rigorous academic standards, character development, self-discipline, personal and social responsibility and family involvement.

## Supporting Your Student at Home

\*In addition to your scholar's Reading and Math HW, we strongly encourage reading nightly with your scholar! Challenge their understanding by asking questions about the characters, main idea, cause and effect, problem and solution, etc.

\* Your scholar should be getting at least 45 min in both I-Ready Reading and Math each week! There are opportunities for your child to earn their minutes in the classroom, but extra time at home will never hurt!
