

3rd Grade News Letter

Week: 9/4/23

- Week Four!
- Open House is next Thursday! Please make arrangements to join us on Thursday from 6-7pm.
- Unit 2 Math Homework
Students will learn Place Value and Number Relationships and how to represent 4- digit numbers. Your child will also learn strategies to compose, decompose, compare, order, and round 4-digit numbers

Math Vocabulary

- decompose**
- expanded form**
- round**
- standard form**

- If you haven't brought in/send your scholar to school with school supplies, please remember to do so.

-Also please continue to check class Dojo to be connected with your scholar and their teachers.
