WEEK OF OCTOBER 4TH 2021

A NOTE FROM MS. GEORGE

Hello!

Thank you for all of your support throughout the first quarter. Quarter 2 begins today. Please continue to ensure that your scholar is working on I-Ready and completing homework assignments.

Friendly reminders:

1. **Homework is due back every Tuesday**. Each scholar was given a Tuesday folder for their homework, please be sure they are returning their completed homework each week.
2. **P.E is every Wednesday.** Please wear P.E. Uniform and bring a water bottle.
3. **I-Ready expectations** : Scholars should complete at least 45 minutes **AND** complete three lessons each week.
    1. **EG**: If they have completed 2 lessons in 45 minutes, they should continue to work until they have passed 3 lessons.
    2. **EG**: If they have completed 3 lessons in less than 45 minutes, they should work on a new lesson until they have at least 45 minutes.

MATH

Week 9- We are:

1. Reviewing multiplication and division and seeing how multiplication and division are related:
    a. MAFS.3.OA.1.2 Interpret whole-number quotients of whole numbers, e.g., interpret 56 ÷ 8 as the number of objects in each share when 56 objects are partitioned equally into 8 shares, or as a number of shares when 56 objects are partitioned into equal shares of 8 objects each. For example, describe a context in which a number of shares or a number of groups can be expressed as 56 ÷ 8.

SCIENCE

Week 9- We are:

1. Continuing to learn about how scientists investigate questions by using the scientific method.
    a. SC.3.N.1.1 Raise questions about the natural world, investigate them individually and in teams through free exploration and systematic investigations, and generate appropriate explanations based on those explorations.
