WEEK OF OCTOBER 18TH 2021

A NOTE FROM MS. GEORGE

Hello!

Thank you for all of your support throughout the first quarter. Quarter 2 begins today. Please continue to ensure that your scholar is working on I-Ready and completing homework assignments.

Friendly reminders:

1. **Homework is due back every Tuesday.** Each scholar was given a Tuesday folder for their homework, please be sure they are returning their completed homework each week.
2. **P.E is every Wednesday.** Please wear P.E. Uniform and bring a water bottle.
3. **I-Ready expectations :** Scholars should complete at least 45 minutes **AND** complete three lessons each week.
 1. **EG:** If they have completed 2 lessons in 45 minutes, they should continue to work until they have passed 3 lessons.
 2. **EG:** If they have completed 3 lessons in less than 45 minutes, they should work on a new lesson until they have at least 45 minutes.

Ms. Sherri George

MATH

Week 9- We are:

1. Reviewing multiplication and division and seeing how multiplication and division are related:
 - a. **MAFS.3.OA.1.2** Interpret whole-number quotients of whole numbers, e.g., interpret $56 \div 8$ as the number of objects in each share when 56 objects are partitioned equally into 8 shares, or as a number of shares when 56 objects are partitioned into equal shares of 8 objects each. For example, describe a context in which a number of shares or a number of groups can be expressed as $56 \div 8$.

SCIENCE

Week 9- We are:

1. Continuing to learn about how scientists investigate questions by using the scientific method.
 - a. **SC.3.N.I.1** Raise questions about the natural world, investigate them individually and in teams through free exploration and systematic investigations, and generate appropriate explanations based on those explorations.

IMPORTANT DATES

- October 21st 2021 - Trunk or Treat
- October 27th 2021 - Early Release day, dismissal @ 1:30
