

Fourth Grade Weekly News

Week of January 28-Feb 01, 2019

INSTRUCTIONAL FOCUS

Reading Students will read "Earthquakes" and analyze text by learning how to explain explicitly by using facts, details, and examples from the text to answer questions.

Writing We will continue writing responding to an opinion prompt. The students will read about three futuristic cities and write their opinion regarding which city researchers should continue to study. We will work on body paragraphs and conclusions.

Social Studies The students will receive an assignment for a Biography project with rubric

Math This week, we will continue working with the multiplication and division of larger numbers. We will multiply 2-digit by 2-digit numbers, and divide up to 4-digits by 1-digit numbers.

Science This week, the scholars will build background knowledge on the topic of properties of matter.

Thank you in advance for your continued support!

Three States of Matter by Roy
 Kindelberger
 (Sing to the tune of "The Wheels on
 the Bus")

The three states of matter are
 solid, liquid, gas, Solid, liquid, gas; Solid,
 liquid, gas. The three states of matter
 are solid, liquid, gas, All day long.

The floor is a solid; you can jump
 up and down, Jump up and down; Jump
 up and down. The floor is a solid; you can
 jump up and down, All day long.

Water is a liquid you can drink
 right down, Drink right down, Drink
 right down. Water is a liquid you can
 drink right down All day long.

Air is a gas you can breathe right
 in, Breathe right in; Breathe right in.
 Air is a gas you can breathe right in, All
 day long.

The three states of matter are
 solid, liquid, gas, Solid, liquid, gas; Solid,
 liquid, gas. The three states of matter
 are solid, liquid, gas, All day long.
