November 26-27, 2020 – No school Fall Break!

PARENT CORNER: Students can work virtual on Wednesday so that they can experience our Virtual Grandparents Day and Events. They can log into their Google classrooms that is there homeroom.

Hello Parents!

A great way to help at home would first be to practice using the spelling words at home! Use them when you're talking to your child.

In Math a great way to help your child is to practice their multiplication facts so they can become fluent. They can use Moby Max to practice their fluency.
