

# Our Class Newsletter

## 4<sup>th</sup> Grade

Week of: September, 19<sup>th</sup>-23<sup>rd</sup>

### Reminders

- First FAST PMA assessment in Reading and Math begins this week. Please ensure that your child gets enough sleep and eats healthy breakfast daily.

### Math

Our benchmark for this week focuses on multiplication and division facts up to 12. We are working on making sure each student is fluent with these basic facts and solving word problems. Students need to complete their 45 minutes or more of I-Ready and pass at least 3 lessons with a score of 75% or higher.

### Reading

Essential Question: How do we respond to nature?

Reading Focus  
Main Idea  
Nonfiction Text

Class Book of Week :

### Science & Social Studies

Our focus this week is still understanding the Nature of Science. We will continue to work on activities and involving the scientific method and skills scientist use.

Social Studies: Where do we live? Learning about Florida's History

Florida Brochure Project Due : 10/12- Information will be sent home this Tuesday

### Writing

Learning about my name- Writing Activity  
With Dr. Gibbs

### Misc.

The entire 4<sup>th</sup> grade received special recognition from Mr. McWhite this week. Way to go 4<sup>th</sup> grade!
