

FEBRUARY

..... news

REMINDERS

- Homework is due on Tuesday!
- Students will get their Unit 9 Test corrections on Friday.
- Progress Reports come home Wednesday!
- Valentine's Day is Wednesday! Students are welcome to bring a treat in for their classmates and exchange Valentine's Day cards!

SCIENCE

- We have started learning about the human body in class and learning about the different systems, organs, and their functions!
- This week, we are moving in to comparing plants and animals.
- Mrs. Fuller has begun pulling Science small groups on Tuesdays and Fridays to help review standards taught previously.

MATH

- We are working through Unit 10 which is multiplying fractions. Your scholars are doing a great job in grasping the concepts!
- Next week, we will be jumping into Unit 11 which is dividing fractions.
- I gave students written notes they could use for their homework on Friday. If you need anything or any explanation of material, please don't hesitate to ask!
