

AGGIES On A Quest For Success

May 7, 2018

... from Mr. Moore's Desk

Parents and Scholars...

Now that testing is over, we have begun the transition from elementary to middle school. Yes, that means that the rigorous work will continue. It means that the expectation level is higher and the workload will be no different, if not tougher.

Parents, our scholars will be taking their i-Ready assessments beginning today. They should complete their end of the year i-Ready assessment for reading tomorrow. This assessment measures their overall growth in a right there method based on where they scored on the beginning of the year diagnostic.

Please keep in mind that the school year is not over. In preparation for the close of their elementary careers a promotion ceremony will be held on the 1st of June at 10 a.m. This ceremony is a very special ceremony so we will be rehearsing what we are to do to highlight our scholars.

Again, thank you for assisting me as we help your child climb this ladder of success! Please call me @ (904) 536-0031 with any questions or concerns.

Mr. Moore

THE WEEK AHEAD

Weekly Learning Standard

Scholars will review many of the standards that we have worked on throughout the year, with a concentration on main idea and details.

Very Important Announcement

This announcement is somewhat self-serving so I really didn't want to put it in the newsletter (smile), but this week is **Teacher Appreciation Week!!!**

As a teacher, even though it is the week they set aside for us, I must say that I am extremely appreciative of each of you for your entrusting the academic growth of your scholars as it pertains to reading to me.
