

# 5<sup>th</sup> Grade LEGO Newsletter

## 5th Grade Lego Announcement

Wow! It is hard to believe that in exactly two weeks we will be out for Winter Break. In keeping with Winter Break being just 10 days away, there are a lot of things that we will need to do to close out the second nine weeks strong. Yes, the second nine weeks ends basically when Winter Break begins.

The next two weeks are crucial, because we have PMAs, our i-Ready Winter assessment & continued rigorous learning throughout. Please push our scholars to continue the course set forth to obtain growth. With that being said, you know we are holding a Secret Santa to kick off the holiday part of the break. It begins this Thursday the 8<sup>th</sup> & runs through the 15<sup>th</sup>. The first four days are \$1 gifts, while the last day is a gift valued around

## *Important Dates*

**December 6 thru 15**

PMA's in both Math & ELA

**December 8**

Early Release Day

**December 9 & 10**

1<sup>st</sup> two days of Secret Santa (\$1 gifts)

\$15. We will have a celebration party on that day as it is Mr. Moore's last day of the year. At the celebration the final gift will be exchanged and your scholar's Secret Santa revealed. Please do not forget to send a gift everyday from the 8<sup>th</sup> thru the 15

Have a blessed week, let's get this work in.

## AGGIE NEWS (Reading & Writing)

Greetings! We have come up on week 8 of the second nine weeks and there is a lot to accomplish before the break. We have officially reached a sense of urgency as time waits for no one. The clock is ticking on the upcoming FSA assessment and we must be vigilant and determined when it comes to our approach.

This week we will begin completing our PMAs and i-Ready assessments. Last week we took our Write Score assessment, which leads me to Winter Break. I am the teacher that normally does not assign packets and am tweaking that this year. I will send home prescribed work for scholars this year based up the individual need of the scholar to assist with their development over the break. If your child does not received prescribed work, please note that all are expected to complete their nightly reading and his or her i-Ready expectations each of the two weeks we are out.

Enjoy your week and as always thank you for entrusting your child's academic development in the area of reading to me. .

**“Hold fast to dreams  
/ For if dreams die /  
Life is a broken-  
winged bird / That  
cannot fly”** .-Langston Hughes

## Streaks

There is really no news to report on with the Streaks as Thanksgiving week was brief, but Team Blue is on a roll, so we are challenging all individuals to step up and bring it in for their team. Please encourage our scholars to do the right thing and if there is anything that they do above and beyond, please let me know so we can add those points as well.

Each week the group that wins, receives something nice. Asking for your assistance in this as well if possible as it has been coming out of my pocket.

## EAGLES (Math & Science)

It's week eight of the second nine weeks! We are moving in the right direction! Please continue to encourage your student to do his or her best everyday!

The standards that we will be covering this week are Adding and Subtracting fractions and for Science, Our Solar System. The online platforms such as Zearn and Ed Base Camp have on-grade level activities for your child to continue their learning at home. Please encourage him or her to login and complete activities periodically throughout the week.

Thank you for your continued support and partnership in your child's education.
