Greetings Parents & Scholars:

Can you believe it? Can you believe that we are four weeks into the fourth nine weeks? Our little scholars are not so little anymore. In a few weeks they will officially be middle school kids and with that changes are a coming. These are the things we will work on academically and socially as the year begins to close.

Now, we are working on preparing for the Reading and Math FSAs in May. Please ensure that your child is completing all assignments that we give in order to help them prepare for these upcoming assessments.

As always, we are blessed having you entrust us with the beautiful minds of your babies.

Mrs. Green & Mr. Moore

Students Return from Spring Holiday

“ Education is the passport to the future, for tomorrow belongs to those who prepare for it today.” – Malcolm X

TIGER'S MISSION:

To provide the children of the Northside a structured and nurturing learning environment that is focused on rigorous academic standards, character development, self-discipline, personal and social responsibility and family involvement.

In The Classroom

AGGIE NEWS (Reading & Writing)

Ms. Ewing is officially serving as their primary teacher and is enforcing the expectations I have set forth in working hard with the standards. During these last few weeks, please help me continue to push them towards excellence.

Mr. Moore

EAGLE NEWS (Math & Science)

It's week four of the fourth quarter! Last week, we worked extremely hard on learning how to be respectful to all staff and each other. We also discussed how to come in class prepared with homework, planner and pencils prepared for class. Each week, students can earn streak/group points for being prepared.

The standards that we will be covering this week are **Dividing with Fractions for Math** and the **Earth's Movement for Science**. The online platforms such as **Zearn** and **Ed Base Camp** have on-grade level activities for your child to continue their learning at home. Please encourage him or her to login and complete activities periodically throughout the week.

Thank you for your continued support and partnership in your child's education.

Streak Family News

Greetings everyone! We have been unable to be consistent with The Streaks and we apologize. It is Mr. Moore's fault.
