

# 5<sup>th</sup> Grade LEGO Newsletter

April 4, 2022

## Tiger Academy

6079 Bagley Road; Jacksonville, FL 32209

904-309-6840

Greetings Parents & Scholars:

Can you believe it? Can you believe that we are three weeks into the fourth nine weeks? Our little scholars are not so little anymore. In a few weeks they will officially be middle school kids and with that changes are coming. These are the things we will work on academically and socially as the year begins to close.

Now let's talk about current upcoming news. This week the scholars will take their first FSA Assessment. It is The Writing FSA. We are asking that you please get the scholars to bed by 9 and that cell phones do not accompany them. This is important as to be sure that they are well rested. We are also asking that they eat a healthy breakfast.

As always, we are blessed having you entrust us with the beautiful minds of your babies.

Mrs. Green & Mr. Moore

### Upcoming Events

#### April 5

3<sup>rd</sup> Grade Reading

#### April 7

4<sup>th</sup> & 5<sup>th</sup> Grade FSA Writing

#### April 8

Mr. Moore out of town until  
April 12

***“Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars to change the world.” Harriet Tubman***

#### **TIGER'S MISSION:**

To provide the children of the Northside a structured and nurturing learning environment that is focused on rigorous academic standards, character development, self-discipline, personal and social responsibility and family involvement.

## In The Classroom

### AGGIE NEWS (Reading & Writing)

It is here!!! It is here!!! The first part of FSA Testing is among us. This Thursday our scholars will show what they know about writing. It can be opinion or expository so please have them study, yet relax over the next four days.

Ms. Ewing is officially serving as their primary teacher and is enforcing the expectations I have set forth in working hard with the standards. During these last few weeks, please help me continue to push them towards excellence.

Mr. Moore

### EAGLE NEWS (Math & Science)

We are in the final quarter of the year! Ms. Abbey and Ms. Ewing have been leading the classes with teaching and behavior. We have worked extremely hard on learning how to be respectful, independent scholars with completing our classwork assignments. We discussed how to come in class prepared with homework, planner and pencils prepared for class.

The standards that we will be covering this week are Dividing Fractions and Movement of the Earth for Science. The online platforms such as Zearn and Ed Base Camp have on-grade level activities for your child to continue their learning at home. Please encourage him or her to login and complete activities periodically throughout the week.

With our writing FSA this week, please keep your students with positive energy and encouragement.

Thank you for your continued support and partnership in your child's education.

### Streak Family News

Greetings everyone! We have been unable to be consistent with The Streaks and we apologize. It is Mr. Moore's fault.
