### Upcoming Events

**May 9 & 10, 2022**

Math FSA

**May 12 & 13, 2022**

Science FCAT

*Greetings Parents & Scholars:*

*It is our hope that this letter finds you doing well. As you know, this past week the scholars took FSA Reading and it is our belief that they did well. Testing is not over, as today will be the first day of FSA Reads which is broken into two days, with the second being Tuesday. Also, this week our scholars will take their Science FSA on Thursday & Friday. We are asking that you please assist us by enforcing two of the biggest strategies, which are to make sure our kiddos adhere to a proper bedtime free of electronic devices & to ensure well balanced meals if possible. We are also asking that we keep them relaxed.*

*Again, thank you for assisting us as we help your child climb this ladder of success! Please feel free to reach out with any questions or concerns.*

*Mr. Moore & Mrs. Green*

**"A teacher ignites the fire that fuels a student's thirst for knowledge, curiosity and wisdom." –**

### **TIGER'S MISSION:**

To provide the children of the Northside a structured and nurturing learning environment that is focused on rigorous academic standards, character development, self-discipline, personal and social responsibility and family involvement.

## In The Classroom

### AGGIE NEWS (Reading & Writing)

GOD is amazing! HE is good!!! Parents, we reached the first of the major goals in reading last week. Our scholars took FSA Reads and it is my belief that they all performed at high levels. Let's applaud them in advance of the scores and put it out there in the atmosphere.

Reading is not over, as we will work on helping Science this week and following that we will begin working on Project Based Learning across both classes for the end of the year. I have offered grade replacement through this project, so they must put their all into it. The PBL as it is called my go until June 6. More information to follow!

### EAGLE NEWS (Math & Science)

**It's our testing week and time to SHINE! We have worked extremely hard on learning how to use test taking strategies to help us be successful. We discussed how to come in class with a positive mindest and being respectful at all times.**

**The standards that we will be covering this week are Reviewing for Science FCAT. The online platforms such as Zearn, Google Classroom, and Ed Base Camp have on-grade level activities for your child to continue their learning at home. Please encourage him or her to login and complete activities periodically throughout the week.**

**We hope you enjoyed a wonderful Mother's Day! I am extremely thankful to had the opportunity to be a mother. I would also like to thank you for your gifts, cards and monetary gifts for Teacher Appreciation. My heart is still smiling from what you have done :o)!**

**Thank you for your continued support and partnership in your child's education.**

### Streak Family News

Greetings everyone! We have been unable to be consistent with The Streaks and we apologize. It is Mr. Moore's fault.
