JANUARY 30, 2023

A 5th Grade Note

Greetings Parents:

It is our hope that this newsletter finds you all doing well. The 3rd nine weeks is actually headed into its fourth week. This week we are celebrating literacy week at Tiger and are back to our normal schedule. Students will have different fun literacy related activities each day throughout the week culminating in a Book Character Parade on Friday! Please be on the lookout for reports for you scholar's second fast assessment this week as they will be sent home for both ELA and Math.

The 5th Grade team is truly dedicated to the growth of our scholars and we will continue to push them to greatness. We are asking that they complete their i-Ready Goals in each subject and nightly reading each week .

As always, we would like to thank you for entrusting the academic growth of your precious gifts to us. Feel free to reach out to us with any questions that you may have.

Ms. George & Mr. Moore

Math/Science

Hello Parents and Scholars!

This week is a more structured week than last. Literacy celebrations have been completed and we are settling in for our new content for the month of February.

Math: This week we are beginning our Unit on Multiplying Multi-Digit Numbers and will continue to work on adding and subtracting fractions.

Science: We are working on introducing Energy and continuing our learning about Weathering and Erosion.

ELA/Writing/Social Studies

Hello Parents & Scholars:

As mentioned above FAST progress monitoting reports will go home this week.

The work will be even more rigorous and there must be a sense of urgency on all of our parts. None of us can rely on excuses when it somes to their academic growth.

Thie week we will be concentrating on rituals and routines during our academic time, but they will be pushed.

News and Notes:

- Do not forget to send in treats for above and beyond
