... from Mr. Moore's Desk

Greetings Parents & Scholars:

Welcome back! Welcome back! Welcome back! I pray that everyone had a wonderfully blessed Thanksgiving.

Of course, now that we are back it is business as usual. We have approximately four weeks before we are out for Winter Break and that means that there is a sense of urgency with regard to reviewing material that we have covered thus far. It also means to continue exploring the writing standards.

Parents, I am currently reviewing i-Ready and I am still disappointed in the efforts to reach the weekly goals. I wish I could just say it was because of the holiday, but this is a constant and consistent theme with regard to our studies. I am asking for your help. Please remind our scholars why they come to school and that academics need to be a priority both in the classroom and at home.

Progress reports are going home today and I welcome any phone calls that are needed as some of the progress reports are scholarship warnings.

Again, thank you for entrusting me to help make a difference in the lives your children!

Mr. Moore

Weekly Learning Standard

This week we will be changing standards and working primarily on the following standard:

LAFS.5RI.1.2 Quote accurately from the text when explaining what the text says explicitly and when drawing inferences from the text.

Aggieland Notes

Communication Reminders:

Parents, I may call an emergency parent meeting for next week. I will let you know by Wednesday.

Incentive Reward Request

I am asking that each child bring in a bag or two of candy, chips, individual cookies and/or fruit snacks for our classroom reward containers which are given out as incentive for when the scholar goes above and beyond.

I will be asking at the onset of every nine weeks.

Reading Stamina Information

Having stamina for something means being able to stick with something for periods of time. This stamina, or endurance, builds strength. Stamina can apply to lots of different areas, such as exercise or painting. It can also apply to reading. Teachers often think about a student's reading stamina. Reading stamina is a child's ability to focus and read independently for long periods of time without being distracted or without distracting others. Reading stamina is something that parents can help students develop. As your child moves further into the year, developing reading stamina will help your child navigate the longer texts and assignments. **Please enforce that your child reads daily for a minimum of 30 -45 minutes, Monday thru Sunday.**

Growing Great Leaders!!!

Questions/Comments

- Questions, comments, concerns or compliments? Please don't hesitate to contact me! Feel free to e-mail me at: emmoore@firstcoastymca.org or call me at 536-0031
