## Baker County

[CVS, 121 West MacClenney Avenue, MacClenny, FL](#)

CVS Health is conducting drive-up coronavirus testing.

Patients must legally reside in the state where the test is given and be 18 years of age or older. Patients being tested are required to stay in their vehicles and surfaces are sanitized after each visit.

You will be tested in one of two ways. Rapid-result testing is generally returned in person within 30 minutes of specimen collection. COVID-19 lab testing returns results within 5-7 days.
