Our Class Newsletter

4th Grade

Week of: October 24th-28th

Reminders

- This is Red Ribbon Week
- ERD is Wednesday, October 26th.

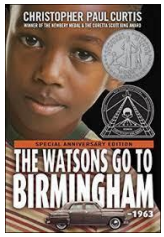
Math

Our benchmark for this week focuses on multiplication comparisons. We are working on making sure each student is understands how to interpret these word problems.
Students need to complete their 45 minutes or more of I-Ready and pass at least 3 lessons with a score of 75% or higher.

Reading

Our focus is working on building stamina. Students have been working to read independently with informational text.

Class Book:



Science + Social Studies

Our focus this week is still understanding the Nature of Science. We will continue to work on activities and involving the scientific tools and how they use math to determine data.

Writing

Our students have been working on narrative writing.

Misc.

This week is Red Ribbon Week. Students have different activities for each day. Please check the school's weekly newsletter for the details!

Thanks for all that you do!
