- 1/2 - Community Event: Please view the weekly Newsletter from the school for more information.
- 1/31 - 100th Day of school
- 2/1 - Family Assessment Night: Come learn all about the assessments your scholars are taking.
- 2/7 - ERD
- 2/19 - Presidents Day, NO SCHOOL!!

Spelling Words of the Week:

sky, try, fly, happy,
funny, baby
<3 words: fourth, forty,
and four
*Our scholars will be
tested on these words
this Friday.

What's Tea with Ms. Lee:

- This week we will celebrate the 100th day of school Please check your scholars folder for the 100th day of school flyer.
- Our students have a math packet for this week, some phonics practice, and spelling practice please be sure to take the time to work with your scholar at home as the math concepts are only getting more rigorous.
- Wednesday folders (from the school) will be sent home each Wednesday and are expected to be returned each Thursday. If you see an orange folder at home please return it back to school.**

The time is always right to
do what is right.

- MLK Junior

What are we learning?

Phonics: (M-T) The week we are learning that y spells /i/ at the end of a single syllable word. Please practice this concept with your scholar using the at home practice sheet. (W-Th) We are also learning that y spells /e/ at the end of longer words that have more than one syllable.

Reading: This week we are entering a new unit where will be learning all about technology!!

Math: We have our UNIT 9 test this Tuesday and we will begin unit 10 on Wednesday. Unit 10 is all about comparing numbers using both addition and subtraction. PLEASE be practicing math facts with your scholars. I am sending home a fun activity home with each scholar to practice number reading and other strategies. Please be on the lookout for the activity. This will be sent home on Wednesday in their orange folders.

Science: This week we are diving into learning more about living things and how some living things look like their parents. If you have any photos of you and your scholar this would be the best time to send them in as we will be able to observe how animals look like their parents.

SS: This week we are learning about stories from the past and ways we can share our culture.

Tiger of the week:

Miracle M-S.
