## What are we learning?

**Phonics:** This week we are learning about vowel teams! When two vowels go walking the first one does the talking. (M-T) ai, ay /a/ (W-Th) ee, ea, ey /e/

**Reading:** This week we are closing our reading unit with learning all about themes. We've been learning that we can learn lessons from our mistakes and from stories we read.

**Math:** This week we are entering a new unit. This unit will be all about collecting data!! Our last unit with measurement was EXTREMELY challenging for all of the scholars; therefore I will be sending home extra practice for them over the spring break. PLEASE sit with them and practice because they REALLY need the help.

**Science:** This week we are still learning about plants.

**SS:** This week we are focusing all on women who have helped to pave the way for us. We will explore more about Wilma Rudolph on Monday and Tuesday and then we will learn about Frida Khalo
