

YMCA TIGER ACADEMY

July 12, 2020

Dear Tiger Academy Parents,

On July 6th, Florida Education Commissioner Richard Corcoran issued Department of Education Emergency Order No. 202-EO-06 ordering brick and mortar and charter schools to reopen 5 days a week with the "full panoply of services for the benefit of Florida students and families". With school scheduled to begin August 10th, Tiger Academy will be opening its doors in one month from today. We are currently finalizing plans, and will give you more information in the upcoming days.

As principal of Tiger Academy, I can assure you that we will continue to be sensitive to the needs of our families. The overall health, safety and well-being of our scholars and educators must remain a priority as return-to-school plans are designed and implemented. We understand that there is flexibility provided for in this order and believe that decisions regarding implementing return-to-school plans must be made in concert with health officials, parents, families, students, educators, school employees, and community members in the decision making process. We anticipate being able to share opening plans no later than **July 20th**.

Thank you for your patience and support. If you have any questions, please e-mail us at TIGERPARENT@fcymca.org.

Educationally yours,

Charles McWhite
