

March 22, 2020

Tiger Academy Parents,

Tomorrow we will launch virtual instruction at Tiger Academy. This is an exciting opportunity for us to provide online instruction and support for our scholars. Our staff has worked tirelessly the past few days in preparation for the first day. This past Saturday, we were able to offer and distribute 80 ipads to our Tiger Academy families who were without adequate technology. For those families who will be without technology on Monday, we will have grade level work packets at the school available for pickup from 9am – 12pm. Parents nor students are allowed inside the building. We will meet you at the front door with the appropriate packet. **If you are unable to pick up a work packet, we will make arrangements to have work delivered to you.**

You should have received a letter or e-mail from your child's teacher outlining a suggested schedule and online expectations. If you have not, please reach out to your child's teacher by phone or e-mail, or call the front office tomorrow at (904) 309-6840 from 9:00 am – 12:00 pm. Teachers will be responsible for keeping student attendance, so please make sure your child checks in every day. As of this time, instruction will continue online potentially until the end of the school year. Promotion/retention decisions will be affected by your child's work, so please ensure they are actively participating in their learning path.

Thank you for your patience and understanding. Tomorrow will undoubtedly have some mishaps and mistakes. We ask you to be patient with us as we work to provide our scholars with everything they need in order to be successful. If you have any questions, you may call the school or e-mail me at cmcwhite@fcymca.org.

Sincerely,

Charles McWhite

Principal
