

Internet Access and Usage Policy

The use of technology is a privilege and an important part of the Tiger Academy's overall curriculum. Tiger Academy will, from time to time, make determinations on whether specific uses of technology are consistent with school policies for students and employees of the school, but does not warrant that the technology resources will meet any specific requirements of the student or other users, or that it will be error free or uninterrupted. Tiger Academy always reserves the right to monitor and log technology use, to monitor file server space utilization by users, and examine specific network usage (as may be deemed necessary) for maintenance, safety or security of the technology resources or the safety of the user.

It is the policy of the Tiger Academy to:

- a. Use technology protection measures to filter or block access to material that is not appropriate for students
- b. Protect the safety and security of students when using email, chat rooms, and other forms of direct electronic communication
- c. Use technology protection measures to prevent hacking or unauthorized access by students to data or information that they should not have access to and to prohibit other unlawful online activities by students
- d. Prevent access to websites, web or mobile applications, or software that do not protect against the disclosure, use, or dissemination of students' personal information
- e. Prohibit students from accessing social media platforms, except when expressly directed by a teacher for an educational purpose
- f. Prohibit the use of TikTok, and any successor platforms, on all school-owned devices or any device (including privately owned) connected to school-provided internet
- g. Prohibit the use of TikTok, or any successor platforms, to be used to communicate or promote the School, a school-sponsored club, an extracurricular organization, or an athletic team
- h. Comply with the Children's Internet Protection Act (CIPA) [Publ. L. No. 106-554 and 47 USC 254(h)].

1. Access to Inappropriate Material

Internet filters are used to block or filter internet access to prevent users from accessing inappropriate information. Tiger Academy will filter or block access to all information considered obscene, child pornography, or any material deemed harmful to minors, as defined by the Children's Internet Protection Act.

The technology protection measures may be disabled only for lawful purposes, including educational research. Only the School's Information Technology Team ("I.T. Team") or designated parties will be permitted to disable protection technology.

Internet Access and Usage Policy

It shall be the responsibility of all members of the Tiger Academy's staff to supervise and monitor usage of the online computer network and access to the internet and ensure that the same is in accordance with this policy.

2. Safety and Security in Direct Electronic Communications

Students are prohibited from disclosing any personal contact information without obtaining prior consent from a Tiger Academy teacher or other administrative member. Additionally, the use of email, chat rooms, and other direct electronic communication by students will be monitored by the Tiger Academy's administration to protect the safety and security of students.

3. Protection Against Unauthorized Access and Hacking

Tiger Academy, in conjunction with the I.T. Support Team, will provide technology protection measures to prevent hacking or any unauthorized access to any confidential data or information. Any student attempting to bypass security measures or hacking into the system will face severe disciplinary actions.

4. Protection of Student Personal Information

Access to websites, web or mobile applications, or software that does not protect against the disclosure, use, or dissemination of students' personal information, is strictly prohibited. Teachers and staff are required to vet and verify the safety standards of any third-party digital tool before introducing it to students.

5. Restricted Access to Social Media Platforms

Students are strictly prohibited from accessing any social media platforms on school-owned devices or any privately owned device connected to the school-provided internet, unless explicitly directed by a teacher for educational purposes. When used for educational purposes, students must adhere strictly to guidelines set by the teacher and refrain from personal use or sharing of personal information.

6. Prohibition of TikTok and Successor Platforms

The use of TikTok, or any of its successor platforms, is strictly prohibited on all school-owned devices. or any device connected to school-provided internet, regardless of ownership. TikTok, or any successor platforms, must not be used to
